

**Kent Schwendy**  
**Vice President of Development Services**  
**Fuss & O'Neill, Inc.**

Kent Schwendy is Vice President of Development Services with Fuss & O'Neill, Inc. Mr. Schwendy specializes in sustainable site design, green parking, innovative stormwater management solutions, and wetlands mitigation/creation.

He has led design teams for many projects using these concepts, including the Stadium at Rentschler Field (home of the Division 1A UConn Football Team) and the Lake of Isles Golf Club and Resort, in North Stonington, Connecticut.

Mr. Schwendy has presented sustainable site design and green parking concepts at many venues including the American Planning Association National Convention and Regional Stormwater Conferences.

Mr. Schwendy is a graduate of Rensselaer Polytechnic Institute with a B.S. in Civil Engineering and is a licensed Professional Engineer in Connecticut, Maine, Massachusetts, New Hampshire, and New York. He is a member of the Congress for the New Urbanism, a LEED Accredited Professional from the U.S. Green Building Council, and a Certified Construction Specifier from the Construction Specifications Institute.
