IT'S ABOUT THE ECONOMY! IT'S ABOUT **JOBS!**

And it's about time for business to be heard at the State Capitol.

We're the job-creators who can lead the way to Connecticut's economic recovery.

But are legislators listening?

Connecticut Business Day is our day to make the connection with state lawmakers, to help them make the right decisions for the state's economy.

Your voice, your time, your involvement will make a difference.

But it won't happen without you. In fact, lots of harmful things to your business and the state's economy could happen if business leaders like you don't get involved.

Sign up today. Tell your colleagues. Pass the word: March 4, businesses are coming to Hartford. Because the economy must be issue #1.

Connecticut Business Day is the biggest pro-business day of the year at the Capitol.

Be heard and make a difference — Register today!
