

A unique insurance program that offers real choice for employees and lower costs for employers

CBIA Health Connections is a group insurance program designed for small businesses with three to 100 employees. It offers employees both a choice of health plan and insurance carrier at affordable prices. CBIA Health Connections serves 6,000 companies and tens of thousands of employees with more than 30 plans from Connecticut's top insurance companies — ConnectiCare and Oxford Health Plans.

Program highlights:

- Competitive pricing
- Coverage for companies with three to 100 employees
- Each employee can choose from among two leading health insurance carriers in Connecticut in one group plan
- Coverage for out-of-state employees
- Free HRA administration
- Free COBRA administration
- HSA-compatible plans
- Dental insurance (provided by Aetna)
- Life, supplemental life, short- and long-term disability, and AD&D insurance (provided by The Hartford)
- Comprehensive Medicare program for Medicare-eligible retirees and employees (provided by Anthem)
- CBIA Healthy Connections integrated wellness program
- The convenience of just one bill and one number to call for service
