

Preventive Care Guidelines

HSA Compatible Plans

CBIA's HSA compatible plans provide preventive care coverage for members and their families. The following is a quick reference guide of services that each insurance carrier considers preventive for CBIA Health Connections HSA compatible plans.

- Routine Physical Exams & Immunizations (Adults, Children, & Well Baby)
- Routine Vision Exams
(Coverage varies by carrier. Refer to plan summaries for details.)
- Routine OB-GYN Exams
- Mammograms
- Colonoscopies
- Colorectal Cancer Screenings
- Diabetes Screenings
- Osteoporosis Screenings
- PSA (Prostate Cancer Screenings)

For details by age and clinical guidelines and other preventive care services, view the carrier-specific guidelines.
