

# Preventive Care Guidelines

## POS 2000

CBIA's POS 2000 plan provides preventive care coverage for members and their families. The following is a quick reference guide of services that each insurance carrier considers preventive for CBIA Health Connections POS 2000 Plan.

- Routine Physical Exams & Immunizations (Adults, Children, & Well Baby)
- Routine Vision Exams\*
- Routine OB-GYN Exams
- Mammograms
- Colonoscopies
- Colorectal Cancer Screenings
- Diabetes Screenings
- Osteoporosis Screenings
- PSA (Prostate Cancer Screenings)

\* Coverage varies by carrier. Refer to Plan Summaries for details.

For details by age and clinical guidelines and other preventive services, view the carrier-specific document via the link below the carrier name.
