* Generic substitution required when available. If member purchases brand drug when a generic is available, the member pays the difference in cost between brand and generic.

The services described are only an overview of the entire benefit package. For a more detailed plan description prior to enrolling, please contact the health plan company that interests you. Health plan company phone numbers can be obtained from your employer. Services provided by the health plan company under the benefit plan you select will be fully described in the proof of coverage document you'll receive once you are enrolled in the program. The benefits are subject to various limitations, exclusions and conditions as fully described in each health plan company's Certificate of Coverage. The services identified are covered as described only when they are provided based on the guidelines of the program; in other words, when they are provided, prescribed or directed by the health plan company you have selected (except in cases of emergencies).
