Highlights - Appropriations Committee vs. Governor's Budget

Significant modifications of reduction proposals in Governor's budget:

- All additional spending is offset by reductions.
- DECD Provides funding for tourism districts and competitive grants (\$3.2 million in each year).
- UCHC Adds back \$10 million for block grant in FY 2012.
- DHE Transfers nearly \$4.5 million from Capitol Scholarship to CICSG (private college tuition aid).
- SDE Restores \$4 million in each year for Priority School Districts.
- Judicial Restores funding for adult and juvenile providers (\$2.5 million each year).
- DOC Expands savings related to offender management, intensive supervision, and house arrest; closes an additional prison (\$16.2 million in FY 2012, \$33.6 million in FY 2013).
- DCF Reduces funding for caseload and flex funds (\$12.8 million in FY 2012, \$15 million in FY 2013).
- DPH/DMHAS Adds back funds for community health centers (\$6.4 million each year).

- DSS Restructures pharmacy reimbursement to mitigate impact on independent pharmacies (addback of \$11.5 million in each year) and to implement medication therapy management (reduction of \$14.1 million each year).
- DSS Adds back funds to reflect smaller increase in cost-sharing for CT Home Care (\$4.9 million in FY 2012, \$5.1 million in FY 2013) and no cost sharing under Medicaid (\$8.25 million in FY 2012, \$9.45 million in FY 2013).
- DSS Adjusts hospital tax proposal to generate additional reimbursement and provide some funding for hospitals (\$128.5 million in FY 2012, \$129.7 million in FY 2013). The revision will increase funding to hospitals by \$50 million and result in a net gain of federal revenue to the state of \$15 million beyond the Governor's initial recommendation.
