Connecticut  
Paid Leave

Keep up to date with @CTPaidLeave

The funding to support the **CT Paid Leave** program will come in the form of employee payroll deductions beginning January 1, 2021. The most you will contribute is up to one-half of one percent (0.5%) of your total wages, up to the Social Security wage contribution rate that is set by the federal government.

To estimate how much of your pre-tax pay will be deducted every pay period to support CT Paid Leave, use the contribution estimator found at [ctpaidleave.org](http://ctpaidleave.org) or use your smart phone/QR code reader to scan the QR code provided and scroll to the bottom of the page.

*Your payroll contribution will be pooled into a single trust managed by the State Treasurer. This trust will be used for distributing family and medical leave compensation to covered employees, paying the costs of the authority, educating and informing the public about the program and paying the costs of administering the trust. Paid leave benefits begin January 1, 2022.*
